Subject: 2010 Ntwk Mon Plan

Hello Meredith:

Attached please find the District's 2010 Ambient Air Monitoring Network Plan as required. This plan addresses the deficiencies noted in the 2009 Plan and will, hopefully, meet all expectations. Two files are included, both of which are PDFs: 1) the complete plan, and 2) the NCORE station plan as a separate document. Please let me know whether you need anything further from me with regard to either of the plans.

As always, thank you for your help and your patience.

Sincerely,

Chris Lanane
